4 meals ordered at noon they were all just ok A more two were ordered directly behind the original four meals at the same time, but the first four meals were not yet a sign of further... two meals had been eaten! A children's ice cream was ordered, we had to hunt it up! A very bad show!. Want to spice up your eating and drinking routine?

Come to this sports bar and enjoy a variety of large and small snacks and menus while watching live football, tennis or Formula 1 games, because just eating and drinking is too simple!, Furthermore, the *delicious treats* of this establishment sparkle not only in the eyes of our young guests. We offer not only sweet pieces, cakes and small snacks, but also **cold and hot drinks**, for breakfast they serve a tasty breakfast here.
