The Royal Pub And from Cheltenham is a good option for a bar if you want to have **a cocktail after work** and sit with friends or alone, Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try. The *burgers of this establishment* are among the highlights and are usually served with filling sides such as French fries, salads or wedges, In addition, the **delectable desserts** of the restaurant shine not only on children's plates or in the eyes of the little guests.
