Here you can find the [menu](#) of **The New Vic Bar Restaurant** in Weymouth and Portland. At the moment, there are **16** courses and drinks on the card. The New Vic offers friendly service and freshly cooked food, with highlights including a large gammon steak and generous portions. However, there were some disappointments, such as unavailable menu items and underpowered curry. The ambience is colorful but a bit odd, resembling a children's play area. Some reviewers noted issues with service, while others praised the welcoming atmosphere and delicious food. Overall, The New Vic seems to be a mixed bag, with potential for improvement in certain areas. Despite some shortcomings, it remains a popular choice for locals and visitors alike.
