You can inquire about **seasonal or weekly deals** via phone. What [JariJK](#) likes about Konnichiwa: The Asian restaurant Konnichiwa has an excellent sushi buffet. It includes about 30 different sushi varieties (e.g. maki, gunkan, nigiri), miso soup, other Asian foods and dessert (e.g. cake and coffee or tea). Vegan and gluten free options were available, too. Everything tasted very delicious. I also love the interior because tables aren't situated too close to each other. I really can recommend this restaurant. [read more](#). What [User](#) doesn't like about Konnichiwa:

Visited for a lunch while on our way to south. Sushi was good, nothing too special but wasn't disappointing. Some things were a bit off, for example the whole place seemed to have issues with hygiene. Tables were full of dirty dishes. Needed to go and ask a waiter to clean one table for us while all others were taken or dirty. Toilets were also not nice, bad smell and easily few days without cleaning. They need to ma... Delicious particularly are the Sushi and delicacies like Te-Maki that this restaurant is known for. The *menus are prepared authentically Asian*, and **healthy Japanese dishes** are being made with lots of freshly harvested vegetables, fish and meat.
