What [User](#) likes about Jones Foodbar:

I came for the tarter with truffle etc, but I wasn't on the map. They told me this will be back on the map soon. So I have to come back, buy a file and grunted oysters, and both were top-thanks for the perfect service tom. [read more](#). As a guest, you can use the WiFi of the establishment free of charge. A visit to Jones Foodbar becomes even more rewarding due to the extensive diversity of coffee and tea specialties, Incidentally, there is the typical atmosphere and obviously also the typical ambiance of a *Brasserie*. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, You can't absolutely nothing wrong, especially with bite-sized Tapas, because there is something for all tastes.
