Mexita has become our favourite place to get takeaway from. Their [Mexican](#) food is out of this world and we have never been disappointed with their food or delivery service. Amazing prices and always fills us up. [read more](#). What [Rubb3ry](#) doesn't like about Mexita:

After ordering food, which was told an over priced value. Questioned and was told another value, which after checking was again over priced then cancelled and was then banned. Guess after getting another price through the door next day are not doing well, wouldn't order again any way as not that good food for price. [read more](#). Are you looking for desserts? In Mexita you will find [divine desserts](#) that will certainly satisfy your cravings, and you can look forward to authentic *Italian cuisine* with classics like [pizza](#) and pasta. Naturally, they also serve you with crisply crunchy [pizza](#), baked straight from the oven in original style, the menu also includes fine [vegetarian](#) menus.
