In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, Furthermore, the visitors of the restaurant enjoy the large variety of the various coffee and tea specialities that the restaurant has available. There are also light **Mediterranean menus** available, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
