Don't judge a book. First impressions weren't great as the pub is a little dated but I now realise that all adds to the ambiance. Very warm welcome staff very attentive. Waited a while for our food but soon realised why it was freshly cooked piping hot and every meal was beautiful. Carry on doing what you are doing what a great find. Give it a try you won't be disappointed [read more](#). As a guest, you can use the WiFi of the place free of charge, Depending on the weather conditions, you can also sit outside and eat and drink. What [Christopher Bell](#) doesn't like about Kings Arms:

I know it has new owners and good luck to them. But please give it bit of atmosphere. The music was dreadful, popular songs sung slowly by a nobody is so dull and 1990s. We had pie as the full roast is ridiculously expensive. The pie was ok but the tiny bit of pastry on top was silly. We will try again but it will be long while. [read more](#).
