On this website, you can find the **complete menu** of Halikarnas from Warwick. Currently, there are **27** meals and drinks up for grabs. The once-beloved Halikarnas [kebab](#) house has apparently taken a turn for the worse, with customers lamenting the decline in quality and the absence of previous menu items like fried chicken and pizza. However, despite some negative feedback, others still appreciate the delicious chicken kebabs and convenient late-night service. The restaurant now operates under a new name, Carisma, offering a wide variety of affordable dishes, although some may find the service a bit slow. Overall, opinions on this establishment remain mixed, with some praising its food and prices, while others are left disappointed by the changes.
