What [User](#) likes about Pavillon Chow: We regularly attend this Chinese restaurant after stopping my activities in the horeca we were able to go to the new year the super welcome as usual the meal worthy of the best restaurant and the menu matched our expectations and even the best value for money always looking for new dishes! the boss of karaskobar [read more](#). What [User](#) doesn't like about Pavillon Chow:

I've been frequencing this restaurant to x/year and never disappointed. what was not the case this Friday: the apero was not even finished that the entrance was served (assortment of fritures that I found too fat worthy of a fast food.) then melted Chinese, even if it was usually delicious big flat the assortment meats/poisons offered on the map was disappointing because not conforming to what was offered on the map...
