It's so nice to have a great Tapas bar back, popped in for drinks and a couple of light plates. The new management are so friendly, the tapas was very tasty and I look forward to returning and trying out the full menu very soon. [read more](#). When the weather is good you can also eat outside. What [User](#) doesn't like about Estella Tapas:

The restaurant offers a little bit of this and a little bit of that with its well-known Tapas, Don't miss the chance to enjoy the delicious [pizza](#), prepared fresh in an traditional way. We offer not only sweet pieces, cakes and simple snacks, but also **cold and hot drinks**, the restaurant serves however also dishes typical for Europe.
