A **comprehensive menu** of Craftbrew from Salford covering all 27 dishes and drinks can be found here on the card. A restaurant with diabolical service that turned away customers, leaving one group shocked by the rude behavior of the manager. Another disappointed with the poor craft beer selection and lukewarm food. Gluten-free options not safe, despite being listed as such. A lackluster selection of craft ales, but a well-stocked beer fridge available. On the other hand, positive reviews highlighted good food, friendly staff, and excellent service, making it a great spot for a post-show meal or drinks. Overall, a mixed experience for patrons of this establishment.
