What [User](#) likes about Atlantis: I've been old. the fish is freshly cooked and the chips are delicious! Not only do they have the classic English Chippy food, but also many Greek specialties (like gyros.) but the best part is the personal: super friendly and welcoming. it is always a pleasure to go! The woman who made my Gyros coughed into her hand TWICE and then touched my food without washing them. I'm never going there again! [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, Also, the *Greek specialties* are also very popular with the visitors of the restaurant. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink.
