If you want to a **cocktail after work** and hang out with friends, Fish Shop from Dublin is a good bar, The customers of the restaurant also appreciate the extensive selection of various **coffee and tea specialities** that the restaurant has to offer. Most often, the burgers of this restaurant, which are among the highlights, are offered along with filling side dishes like fries, salads or wedges, and you can look forward to the scrumptious typical [seafood](#) cuisine.
