Last went three years ago, when the food was bland and the service poor. Well time moved on, and today it was vastly improved. Being picky, the portions a tad too big across the board. A starter would be a main for most people. My starter the mussels, was bigger than some restaurants offer as a main! Otherwise, vastly improved from the tasteless food from three years ago. Keep up the good work! [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather. During a meal, a good drink is essential. In this [gastropub](#), you not only get delicious dishes from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food. The customers of the restaurant also consider the extensive selection of differing coffee and tea specialities that the restaurant offers. Furthermore, there are easily digestible **Mediterranean dishes** on the menu, and you can expect original *Italian cuisine* with classics like [pizza](#) and pasta.
