A complete [menu](#) of The George And Dragon from North Devon covering all 28 menus and drinks can be found here on the card. Located off the beaten path, this classic, yet outdated, pub offers reasonably priced food and drinks in a nostalgic setting reminiscent of the 80s. While some found the food lacking in substance and the atmosphere lacking at times, others praised the friendly staff, hearty meals, and extensive beer selection. With a warm and welcoming ambiance, rich history, and generous portion sizes, this dog-friendly pub is a perfect spot for a relaxing meal or drink with friends. Whether you're looking for a traditional pub experience or a modern twist on classic dishes, this cozy establishment has something for everyone.
