What [T1098RPlindah](#) likes about The Four Elephants: First time in a few years since I last went. We was in a party of 6 family and friends. From the moment you step into the restaurant the service is exceptional. Nothing too much bother. The food was amazing cooked to perfection all nice and hot served on hot plates. We shall most definitely be paying more visits. Such happy smiling cheerful staff. We all had a fabulous night. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and eat and drink. What [jasmin ciliberti](#) doesn't like about The Four Elephants: This was a takeaway, priced at nearly £40 for 2 people and most of the food was inedible. Soggy poppadoms, Bombay potatoes so hard inedible, nan bread like chewing elastic. Main courses ok but not much chicken in mine. The rice was OK. Phoned to complain only offered some replacement dishes. Too late, never again. [read more](#). The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the The Four Elephants from Pendle, with its creative Asian fusion cuisine - the right mix of traditional meets the adventurous world of fusion cuisine, With traditional *Indian spices*, meals are fine and freshly prepared. The **menus are prepared authentically Asian.**
