A complete [menu](#) of East from Peterborough covering all 32 meals and drinks can be found here on the food list. Despite mixed reviews, the restaurant offers a variety of dishes, with some standout options such as prawns, morning glory, and tamarind chicken. The service was efficient and the setting was unique, being located on a boat. However, some customers complained of bland food, variable quality, and high prices. A service charge was recently added, making some patrons uncomfortable. Despite these issues, the restaurant seems to have a loyal following and benefits from promotions like the eat out to help out scheme. Overall, it may be worth a visit for the experience, especially with its charming location by the river.
