A **comprehensive [menu](#) of The Coach At Edenfield** from Rossendale covering all **16** dishes and drinks can be found here on the food list. Nestled in a scenic area, this restaurant has garnered both praise and criticism. While many patrons rave about the attentive service, delightful atmosphere, and freshly prepared meals—including standout dishes like gammon steak and homemade pies—others have faced disappointing experiences, particularly with customer service and menu availability on busy Sundays. The dog-friendly environment adds charm, yet parking remains limited. Despite these inconsistencies, the beautiful interior, reasonable prices, and accommodating staff suggest it could be a rewarding dining destination for those willing to overlook occasional hiccups. Many would recommend giving it a try.
