Capri restaurant is brilliant. Decor stunning , bar stunning and the service is so friendly. All the classic Italian dishes are on the menu together with a great specials board offering various lovely dishes. We have been visiting this restaurant for many years and we always have a lovely meal and a great night [read more](#). In nice weather you can even eat in the outdoor area, and there is complimentary WLAN. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physical limitations. What [lizzie111961](#) doesn't like about Capri:

In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of **good beers and other alcoholic beverages** that go well with the food, Don't miss the chance to have the delicious [pizza](#), prepared straight out from the oven in an original way. You have the option to, after the meal (or during it), still relax at the bar with an [alcoholic or non-alcoholic drink](#), and you will find classic *Italian cuisine* with classics like [pizza](#) and pasta.
