Nestled in picturesque surroundings, The Castle promises a mixed culinary experience. Diners laud its large, well-cooked portions and friendly staff, particularly enjoying fantastic mixed grills and Sunday roasts. However, the service can be unhurried, with meals occasionally arriving after extended waits. Some guests have reported inconsistencies in food quality, pointing to burnt dishes and odd-tasting sides. While the atmosphere remains inviting with recent decor updates, the lively ambiance of yesteryear seems diminished. Overall, The Castle offers hearty fare and a cozy environment, though some patrons may be less inclined to return after mixed experiences.
