Here you can find the [menu](#) of **The Old Curiosity Shop** in Thanet. At the moment, there are **16** dishes and drinks on the food list. Nestled in the heart of Broadstairs, this restaurant offers a mix of charming atmosphere and historical significance, but recent experiences suggest room for improvement. While some patrons praise its friendly service and fresh ingredients, others express concerns over hygiene practices and misleading pricing. Gluten-free options fell short for those with dietary restrictions, and a rushed cream tea experience left some diners disappointed. Nevertheless, a few reviews highlight exceptional service and value, particularly during busy events like Folkweek. For visitors seeking a casual bite, this establishment may charm with nostalgia, but it's prudent to manage expectations on food quality and service reliability.
