If you're hungry some *spicy South American gastronomy*, you're in the right place: delightful meals, made with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are on the menu, The meat is freshly prepared here on an open flame. Most often, the burgers of this establishment, which are among the highlights, are offered along with sides like fries, salads or wedges, and you can indulge in scrumptious American menus like Burger or Barbecue.
