Here you can find the [menu](#) of **Krema Coffee** in Guildford. At the moment, there are **16** menus and drinks on the food list. Tucked away in Guildford, this cozy café offers a mix of delightful beverages and limited food options. While the coffee has garnered rave reviews—especially the flat whites and pour-over selections—service seems to be an area needing attention. Reports of rude staff interactions and patronizing responses regarding tea refills detract from the experience. Food quality is inconsistent, with praises for bacon and quiche overshadowed by complaints about small portions and bitter avocado toast. Despite the shortcomings, some guests enjoyed a warm atmosphere and friendly service. Overall, it's a mixed bag, best suited for coffee enthusiasts rather than full meals.
