On this webpage, you will find the **complete [menu](#) of Project 53** from Stockport. Currently, there are **15** menus and drinks available. Nestled in the heart of Stockport, this cozy bar and restaurant promises a vibrant atmosphere and a solid selection of craft beers and pizzas. Many patrons rave about the delicious, stone-baked pizza, prepared with care and rich flavors that transport you straight to Italy. However, service inconsistencies have marred some experiences, with reports of unfriendly staff and occasional lapses in attentiveness. The drink specials are attractive, although food options are limited. Overall, while the establishment boasts a welcoming ambiance and an excellent drink menu, visitors hope for improved service to match the quality of its culinary offerings.
