On this homepage, you can find the **complete menu of Frampton Fish** from South Gloucestershire. Currently, there are **15** courses and drinks up for grabs. Frampton FISH bar, once a beloved culinary staple, now faces criticism for declining food quality, particularly its fish and chips and curry dishes. Patrons report inconsistent batter and underwhelming flavors, leading to disappointment among long-time customers. However, some diners praise the establishment for its clean kitchen, friendly service, and freshness of ingredients. The dual offering of Chinese cuisine alongside traditional fish and chips creates a unique dining experience. With busy nights prompting quick service, many recommend this spot for a tasty takeaway, despite warnings to prepare for cash-only payments. Overall, the restaurant's mixed reviews highlight both potential and pitfalls.
