A **comprehensive [menu](#) of Miah's Kitchen** from Northumberland covering all **17** dishes and drinks can be found here on the food list. This restaurant presents a striking dichotomy between delightful dishes and disappointing service. While some patrons rave about perfectly cooked meals, like buttery chicken and generous kebabs, others recount late deliveries of cold food and missing items. Service issues, including rudeness and dismissive attitudes towards customer complaints, marred several visits. Despite some customers vowing never to return, others sing the establishment's praises, especially for their generous portions and flavorful curries. With such varied experiences, diners may want to weigh the quality of food against the potential for frustrating service before making their choice.
