tgi in walsall has a great atmosphere and the decor is similar to American restaurants. the staff is super friendly and helpful and the service is fast and efficient. vegan menu options are delicious and the burger was very realistic. the personal was attentive to ensure that we were satisfied with everything. is that near wetherspoons offer a similar vegan burger for half price. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and be served. WiFi is available without additional charges. What [User](#) doesn't like about Tgi Fridays: really delicious vegan burgers and garlic chips, although expensive in relation to other pub chains." personal very friendly. bizarre, would not serve the vegan nachos. there was no nacho cheese available, which meant that they would not use any nachos at all, including the vegan! also, although it is encouraged to not be made milkshakes, the restaurant has no plant milk. [read more](#). In the morning, a *tasty brunch* is offered at Tgi Fridays in Walsall that you can enjoy as much as you like, You'll find delicious South American dishes also on the menu. You can just get one of the tasty sandwiches, a small salad or another snack, if you're not that hungry, Naturally, you should also taste the scrumptious burgers, accompanied by sides like fries, salads, or wedges provided.
