love when we are in camden. it's such a great pub to sit and ppl clock on the afternoon, and then a lively party pub later. have been many paintings now and never had a bad experience. be good and have some. good dishes on offer like pickle back! would definitely recommend! [read more](#). When the weather is good you can also have something outside, and there is free WiFi. What **User** doesn't like about The Camden Eye:

I recommended you to set up some dear friends and important colleagues of me. we just visited her pub. everyone was allowed to enter except me. I have produced a residence card for my harbour (I live and work in london, I own my own business), but that was not enough. / in front of my friends and colleagues I was losing sight, and since I was the deplorable person to recommend their device, I feel particularly insult...
