Giraffe Restaurant offers a mixed dining experience, with some patrons appreciating the attentive service and hot, well-prepared meals like the Katsu curry and calamari, while others raise concerns over portion sizes and value for money. Several guests noted high prices and inadequate portions, particularly for mains, leaving them unsatisfied. A small breakfast and stacked drinks also seemed overpriced, compounded by unexpected service charges. However, the friendly staff and accommodating management have garnered positive responses, encouraging some diners to return despite earlier disappointments. Overall, Giraffe exhibits potential but may need adjustments to enhance customer satisfaction.
