Great place, staff very good. Went for a meal with family.....MENU was severely lacking in choices, NO SPECIALS. Absolutely nothing for anyone of a younger generation. Such a shame! 4 stars really, never had a service charge in a establishment of this standard, it should be a customer choice, so no gratuity (tip) for staff. [read more](#). For those who want to have a drink after work and sit with friends or alone, Lakes from Swale is a good bar, for breakfast they serve a *extensive breakfast* here. Even if you're not so hungry, you can treat yourself to one of the scrumptious sandwiches, a small salad or another snack, The customers of the establishment also consider the large variety of various **coffee and tea specialities** that the restaurant offers.
