Here you can find the [menu](#) of **Arnold Arms** in Daventry. At the moment, there are **16** menus and drinks on the card. The Arnold Arms, once struggling, has transformed under new ownership, offering a cozy atmosphere and a decent menu. Diners have praised the quality of food and attentive service, particularly enjoying hearty favorites like fish and chips and Sunday roasts. However, experiences with portion sizes and value for money vary, with some expressing disappointment over underwhelming dishes and pricing. While the ambiance aims for warmth, some feel it leans more toward a restaurant than a pub. Enthusiastic return visits are likely, especially for those seeking gluten-free options and quality local brews. Overall, The Arnold Arms continues to refine its identity.
