We have lived in the Waterloo area for over years and did not realise this restaurant was there. It was a great find using The Fork!...well worth a visit, great food and service albeit we were eating very early so very few diners. The price is very good in comparison to others and the menu is changed regularly from what we have learnt. Enjoy! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something. WLAN is available at no extra cost. What [Ludwig S](#) doesn't like about Le Pot'entiel:

The food was ok. The Argentinian steak was too dry I ordered medium rare and I got medium well-done. I would take it off the menu. Price vs Quality: High price but quality of service and food could be improved. Conclusion: If you do not unnecessarily want to spend money I would recommend a different places in Waterloo! Besides small snacks and sweet pieces, we also offer cold and hot drinks and cakes, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
