after a walk on the Portobello market, george's is a great place to have fish chips (baked with salt and vinegar).

Do not miss this place if they are looking for real and delicious fish chips. [read more](#). In nice weather you can even eat in the outdoor area. What [User](#) doesn't like about George's Portobello Fish:

my children brought their cousins there today, sad customer service zero, one of their oldest male workers went out, said something rude to our table. Thank you, the children didn't hear it, but my cousin I decided never to say again, our friends about her. [read more](#).
