best cafe in london, eating is delicious and owner and coworkers in there are second-no. general portions, quality value and all served with love. thank you. more munchies for my fav sandwich daily. [read more](#). As a customer, you can use the WiFi of the place at no extra cost, Depending on the weather conditions, you can also sit outside and eat. What [User](#) doesn't like about More Munchies:

beautiful sandwiches. not much of a place around, expensive (at least I think so) and does not overcrowd the customers, but more cause the sandwich shops small. only what I really liked was the sweet sweet man who served us and gave us free sweets afterwards. (then a pedo was still student! [read more](#). At More Munchies from Ealing it's possible to **savor delicious [vegetarian menus](#)**, that were made without any animal meat or fish, here they serve a **comprehensive brunch** in the morning. In addition to sweet pieces, cakes, and simple snacks, we also have cold and hot drinks, Particularly fans of the English cuisine are excited about the extensive diversity of traditional dishes and love the typical English cuisine.
