A **comprehensive [menu](#) of Italian Pizza Experts** from Spelthorne covering all **17** meals and drinks can be found here on the card. Nestled on Shepperton High Street, this pizzeria has become a source of mixed reviews.

On one hand, many patrons rave about the generous toppings, delightful crusts, and exceptional value, particularly the "any pizza any size for £8.99" deal. Regular customers appreciate the quick service and fulfilling portions, including a superb Greek salad. Conversely, some unfortunate diners encountered unprofessional service and hygiene issues, leading to a horrifying experience. While many customers swear by its quality and value, attention to customer service seems crucial for this establishment's reputation. A local favorite worth considering — with caution.
