Delicious food! Every time we have been always spot on. The chef is amazing a credit to the place. The staff are very friendly. This place is the best in the Menai for food (well as from now from the other eateries we have been to) not mentioning names but a pub that has been very well renovated to a high standard and looks amazing but the food is safely to say shocking! The Liverpool arms blows it out of the water! [read more](#). In pleasant weather you can even be served in the outdoor area, and there is free WLAN. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physical limitations. What [User](#) doesn't like about Liverpool Arms:

Pretty awful experience I'm afraid! And here based on the trip advisor reviews for lunch but the food offering was practically inedible. We went for a burger and fish and chips plus kids meal and left most of it. Pub is also in a need of an upgrade. Service was fine as was pricing but sadly food offering really needs an overhaul. Wished we'd gone to Dylan's opposite! [read more](#). A journey through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: Liverpool Arms in Isle of Anglesey traditionally shines for instance with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and as dessert a **delicious Trifle**, for breakfast they serve a *tasty breakfast* here. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink.
