Here you can find the [menu](#) of **Maharaja** in North Dorset. At the moment, there are **17** menus and drinks on the food list. Maharaja offers a unique dining experience, praised for its late hours and affordability. However, reviews reveal a divide in quality. While some enjoy flavorful dishes with excellent service and generous portions, others criticize the lack of seasoning and watery curries. The ambiance might be hindered by accessibility issues, as some patrons noted difficulties with the stairs and unhelpful staff. Despite the inconsistencies, many appreciate the prompt service and the availability of vegan options. Overall, while Maharaja has its fans, those seeking a truly exquisite curry experience may find better options in Blandford.
