a great thanks to johnny anna mirella and the entire staff and the impeccable service from beginning to end for our high-time day. we had so many botanicals from friends and family, how fantastic the eating was from the starters to the deserts. can not thank them enough for everything and for having the whole understanding, lead them to the actual day. [User](#) doesn't like about The Penridge Suite:

It's a lovely looking venue but found the staff Unhelpful and not very approachable. Were using us to leave and turned on lights 30 minutes before we agreed when we paid. Once we paid our full price, they were less helpful and I did not feel they went the extra mile to make our day special. [read more](#).
