3/6 of the cakes are veggie friendly, and they had an option of regular mash, vegan chips, or vegan mash. I tried the vegan cake and it was delicious, I ate the best winter food and this hits the spot. What User doesn't like about The Raven Of Bath:
Edit: I just found out the cakes are from Pieminister which is sold in various supermarkets. A little disappointed, but nonetheless it's still an option. Jackfruit cake was absolutely delicious and went well with a sprinkling of Dark Raven. No frills Pub with friendly customer service Just the slight grip is the price of a vegan pie is same as venison pie : Updated from the previous review on 2021-10-25 read more.
