My favorite local restaurant in Reykjavik! Delicious food, big portions and unbeatable price. I recommend to try: Lamb burger, Rauðspretta (plaice) and their specialty: SÚRDEIGSBÖKUR (many different). Happy hour from 4pm to 7pm (cheap beer and wine) And the best coffee I tried in Reykjavik! Supporting local business in these times is crucial. There was not much traffic, but we had to wait about one hour after our meal. Asked once where my meal was. Answer, there are my orders at the moment. NO. in the end the waiter came and asked what we had ordered! Shortly after that the food finally came. Conclusion, good food, bad service. Additionally, of course, the environment plays a big role, so the guests appreciate not only the fine menus, but also the bistro itself love. As a rule, most meals are prepared in the shortest time for you and served. Naturally, you should also taste the fine burgers, accompanied by sides like fries, salads, or wedges served.
