On this website, you can find the **complete [menu](https://menuweb.menu) of White Swan** from Ryedale. Currently, there are **24** dishes and drinks up for grabs. The kitchen at our location in Pickering has been serving AA rosette accredited food since 1997. Our friendly and well-trained staff can cater to your needs, whether you choose to dine by the fire, on our sun terrace, or in our restaurant. For private dining, our Bothy offers the perfect space. We pride ourselves on using local ingredients, grilling over charcoal, and making everything in-house, including mayonnaise, marmalade, ice cream, and bread. Enjoy herbs from our garden and explore our carefully curated wine list. We can get quite busy, so booking ahead is recommended. If you're seeking a traditional dining experience rather than a cafe, take away, coffee shop, bar, or bakery, look no further for unwrapped butter portions or sauce sachets.
