2nd time we have been here first time we were sat at a dirty table with no cutlery. Went yesterday flies everywhere couldn't eat food because of flies landing on food. £30 quid down the drain! Dirty places small Carvery portion only offer one Yorkshire pudding little meat. Yorkshire pudding tasted of paint. Slow service. Dirty place especially family area that we always get out at feel like it should be a choice to sit at family area or not not everyone with an under 2 year old wants to sit in a loud dirty family area full of screaming kids running wild. At the establishment you can enjoy the delicious tasty meals while enjoying the breathtaking view of the nearby *monuments*, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try. If you want to have breakfast, a tasty brunch awaits you, Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges provided.
