In this *gastropub*, you will find not only exquisite meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, Furthermore, the visitors love the inventive combination of different menus with new and partially experimental products - a nice example of successful **Asian Fusion**. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, On the menu there are also several Asian dishes.
