A comprehensive [menu](#) of Golden Dragon from Northumberland covering all 30 meals and drinks can be found here on the food list. Under new management, Golden Dragon showcases a diverse menu that tantalizes the taste buds, particularly appealing to non-vegans. Diners report delicious dishes like salt and chili ribs and generous portions that often leave them with take-home options. However, trust issues arise around dietary specifications, as some patrons have encountered unwelcome ingredients in supposedly vegetarian and vegan meals. While many revel in attentive service, others share concerns about operational hiccups, such as erroneous payment attempts. Despite mixed reviews, the restaurant remains a popular choice for hearty Chinese fare in the area, drawing both new and returning customers.
