Here you can find the [menu](#) of **The Lord Nelson** in Pembrokeshire. At the moment, there are **15** menus and drinks on the card. Nestled in the heart of Pembrokeshire, the newly refurbished Lord Nelson restaurant presents a mixed dining experience. While some patrons have enjoyed the modern decor, praising the attentive staff and delicious Sunday lunches, others found the menu lacking, particularly for those seeking lighter options. The ambiance, though modern, has been noted for its dim lighting, which can feel unwelcoming, especially on gloomy days. Despite some inconsistencies in service, such as missed orders, many guests appreciated the flavorful offerings, from hearty roasts to satisfying desserts. Overall, while the restaurant has potential, it may need refinement to please all visitors.
