this 4-speed meal, especially the baba ganoush (ordered a second plate) and the kartoffel salad really enjoyed. really cozy, cozy place and beautiful staff. you will stay stuffed! I only wish the main was something more inventive than filled paprika. updated by the previous review on 2022-04-09 [read more](#). Enjoy a little bit of this and a little bit of everything at the eatery, known for its appreciated Tapas, well digestible Mediterranean menus are also available. If you'd like something dessert for dessert, Tahini does not disappoint with its good **selection of desserts**, the restaurant serves but also *meals from the [European](#) context*.
