At Sofitel London Heathrow's Tea 5, guests enjoy a mixed experience. The spa receives unanimous praise for its exceptional therapists, creating a tranquil environment for relaxation. However, the afternoon tea often disappoints with inconsistent quality, including stale sandwiches and hard scones. Despite these issues, the attentive service from staff like Rocky and Clive enhances the overall dining experience. Guests appreciate the comfortable atmosphere and extensive tea selection, providing a peaceful oasis away from the airport's hustle. While visitors may return for the spa and service, many remain critical of the afternoon tea offerings, calling for improvement.
