I've been going here for a long time since I read about the gluten-free menu. what a nice pub, the staff was very friendly and the eating was amazing. dogs are very welcome and get their own lunch. wish this pub was a little closer to home, but will definitely try something else on the menu again. even had gluten free beer on draft. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and eat and drink. What [User](#) doesn't like about The Compass Inn:

Very disappointing experience to order a stone baked [pizza](#) and receiving the one on the picture. Not a rocket science to figure that it's a ready shop bought base which was really dry, with some ingredients on top, but even the cheese was not melted under the top layer. Would never order a pizza there again Tobe honest I prefer frozen one compared to this. The atmosphere and the stuff was nice though I guess some pub... [read more](#). The restaurant also offers its visitors a **catering service**, Moreover, the drinks menu of this *gastropub* offers a good and especially comprehensive variety of beers from the region and the world that are definitely worth a try. Also, there are many timeless British dishes in the card that will satisfy any lover of British cuisine, One can also find some international dishes to choose from on the menu.
