Vasai restaurant has garnered mixed reviews, highlighting both exceptional service and culinary shortcomings. While some patrons praise the attentive staff, particularly a standout waiter named Saidur, others report disappointing meals, including undercooked chicken and incorrect orders. Special dietary requests have resulted in unpleasant experiences, overshadowing years of loyalty from long-time customers. Despite a few negative stories, many appreciate the delicious food and good takeaway service offered during tough times, especially with an emphasis on consistent quality. Overall, Vasai remains a popular choice for authentic Indian cuisine, though recent management changes have raised concerns among discerning diners.
